**Subject: Freedom of Information Act (FOIA) Request/File Review Request**

To whom it may concern:

Please accept this as request for any information/documentation/files with your department regarding the above-referenced property.

AEI Consultants is currently conducting the Phase I Environmental Site Assessment for the property. The ASTM Practice E1527-13 Standard Practice of Environmental Site Assessments requires that a records search be conducted with local regulatory departments for information regarding the subject property. Of particular interest are the following items:

- Records regarding hazardous materials usage/storage/incidents or known environmental concerns/contamination which may have affected the property,
- Records regarding aboveground or underground storage tank (UST) systems, which are currently or historically located at the property,
- Record of septic systems installation and repairs at the subject property, and/or
- Records of wells in connection with the subject property.
- Please provide certificates of occupancy, fire inspection reports, building inspection records, building permits, storm water inspection reports (NOVs only), fire department reports for fires or hazardous material spills, underground/above ground storage tank installation permits, underground storage tank removal reports.

Please call (720-829-9709) or email (asad.allahverdiyev@envaze.com) me to discuss the file information or if you require further information. Thank you for your time and attention regarding this matter.

Respectfully,

Asad Allahverdiyev
